

Certificate

Copy 15 of 25

This is to certify that
the modico stamp inks black, blue, red, green and violet
manufactured by the company

modico GmbH & Co KG
Tumblingerstr. 32, 80337 Munich

have been tested for the following properties:

light fastness
erasability
water resistance
resistance to attack by chemicals and bleaches

in trials conducted at and by the Papiertechnische Stiftung (PTS)
(refer to the PTS Test Report No. 28,628 of 31 July 2008).

The stamped prints produced on permanent paper (ISO 11798) using the modico stamp inks blue, black, red, green and violet fulfilled the requirements placed on the properties tested in compliance with DIN ISO 14145-2. The stamp inks are therefore suitable for use with acts, deeds, records, documents and other legal instruments.
